Cordova's office through the admittng
department of Minden Medical -

Center

Dr. Cordova, failed to make sure -
that my wife had all her fluids -
and medication on 9/13/2016 upon
admittance through the nte. My
wife went all night without any
fluids in her body nor her medication
caused her irreversible Emotional -

damages. Now my wife is on Oxygen Tank 24 hrs... because of this Malpractices Treatment by Dr. Fedy Condout and Nudson Medical Staff Members at admittance.

Nudson Medical Center failed to put in place patient Aembard for the scanning of taking any medication at admittance. Nudson Medical Center has reassured that a Aembard was in place on 9/13/2016 is not correct and no medication was given to my wife as the physician Ordered is also

is correct; according to Chief Nursing officer Donna Carter RN, MSN or as
short September 17, 2016.. is also in
